He was re-elected only a few weeks ago to his position as Principal in the Georgetown School, but has been released by the Board of Education of that city in order that he might accept the Principalship of Midway's new school.

City Engineer Finishes Grades For Pavements—Hints to Property Owners

The City Engineer has completed the grades for the contemplated sidewalk improvement and bids for same will be let at an early day.

It is to the property owners' interest to have their pavements laid under the supervision of the City Engineer and City Inspector, for this insures the pavements will be laid according to specifications, and, besides, the city will hold a five-year guarantee bond that the completed work will remain in first-class condition that long.

ONE HUNDRED AND ONE

Dover Pioneer Visiting His Son—
Used Tobacco 86 Years

Dover News.

The venerable George W. Creekbaum of Mentor, Ky., arrived Sunday and is a guest at the home of his son, Mr. Thomas C. Creekbaum.

Mr. Creekbaum reached the age of 101 on the 11th day of last June. He lived in Dover for about 63 years—from 1818 to 1881—since which time he has lived most of the time at Mentor.

He is remarkably preserved for a man of his age, and, although somewhat absent-minded and forgetful, still enjoys the best of health and relishes his meals and a chew of tobacco as heartily as he did 86 years ago, when he began the use of tobacco.

He bids fair to excel the age of his father and mother, who lived to the age of 102 and 104, respectively.

RICHMOND, VA., will erect a \$5,000 statue to EDGAR ALLEN POE. Poor devil of a poet that starved to death.

If things went as smooth at the office as the average man expects them to go at home, there wouldn't be a business pessimist alive today.

"IS THERE one spot in America where absolute quiet prevails?" asks a distracted English tourist. Try Oyster Bay, L. I.—Pittsburgh Gazette-Times.

MR. BRYAN resents the idea of a new Democratic party on the theory, doubtless, that a new party might desire a new candidate for President.—Kansas City Star.

PRESIDENT TAIT has shown his wisdom and good judgment at every stage of the work of Tariff making, keeping silent when silence was best and using his influence when it was warranted.

THE high prices of food-stuffs are not affecting the following simple menu: "The family should breakfast on smiles, hopeful words and morning kisses," as discovered by a modern novelist, whose "latest" had fallen short of the publishers' expectations.

THE contrast between the two CARNEGIES, the magazine writer and manifesto maker of today and the ironmaster of former times, who said little, but achieved much, is a striking and almost a painful one. Need it be stated that in point of sincerity and consistency, the latter has the advantage?—Pittsburgh Chronicle.

If General HANCOCK were alive he would still be convinced that the Tariff is a local issue and that it covers every locality in the country. —Philadelphia Inquirer.

THEY tell us that the new corsets are so long below that a woman cannot sit down in one until she gets in shape so as to permit her to do so. Some of them are said to come nearly down to the knees. What will not a woman do to be in fashion?

FRANCIS J. HENRY, the San Francisco lawyer who got \$69,000 of Uncle Sam's money for the alleged purpose of fighting SMITZ, RUEF and the other Golden Gate grafters, is a slick one, too, and shows that every man has his price. And it was so easy that taking candy from a baby was hard work compared to it.

NAPOLEON had himself dressed by his attendants from head to foot. He put his hand to nothing, but let himself be dressed like an infant, his mind filled with business during the entire performance. The Emperor was born, so to speak, to be waited on. When only a General he had as many as three valets. —Constant.

"THIS one thing I do," should be the motto of those who desire success along any line. Power becomes useless when it is divided. Dr. TRUMBLE once said that "two brand new locomotives pulling in opposite directions would be worth less as a motive power than one lame mule," and there was wisdom as well as wit in the simile.

OPTIMIST CLUB RULES.

"Optimism bears the same relationship to life that the North Star does to the mariner—it bids us look up."
"A pessimist is a cross between a hope-so and a fact; so is a failure."
"When love dies out of the eyes, no optician can fit glasses that will restore it."
"Suckers are not born; they're the product of an incubator."
"When in doubt, take optimism."
AND THIS—"A smile—God's own medicine."

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can use this in behalf of suffering humanity." B. F. Fisher, Roanoke, Ill.

The storm at Galveston yesterday was greatly exaggerated in its violence. Only ten lives were lost, but there were many miraculous escapes and much property damage. Rev. Henry D. Aves, an Episcopal Missionary Bishop, was among the drowned. Fortified behind her sea wall, and elevated to a point above the danger line, Galveston passed safely through a hurricane which resembled somewhat in intensity the disastrous storm of 1900.

The Government has issued an order forbidding Postmasters answering inquiries regarding mail over the telephone. This ruling became necessary because many persons abused the privilege and took much time. Instances are cited of where persons have called the Postmaster to the 'phone and after asking if certain mails had arrived, asked if there was anything for them. Not satisfied with this, the Postmasters have been asked to read post cards and give the name of signers. The requests became so numerous that the Government has ordered Postmasters to stop.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Judge Sam Holmes has been elected Vice President of the Electric Light Company at Carlisle.

If it costs \$30 a month to board an automobile, \$25 a month to board a horse and 5 cents to board a street car, what's the answer?

A breach of promise suit is said to be a demand of "\$50,000 for love." Love is worth \$50,000, but not when it has transferred its seat of empire.

Elizabethtown is making a determined effort to secure the location of the Old Masons' Home, if moved from Shelbyville. Over \$3,100 has been subscribed.

The Ohio River Launch Club of Cincinnati is arranging for a series of motor boat races next Saturday. Among the entries in the speed class are Paul Hesser's Idlewild, Dean Bros. Br'er Fox II, Pete Ferris' Uncle Pete, which were here in the fifth of July Regatta.

THE CONSTIPATION EVIL

Is Responsible For Most Cases of Piles

Constipation paralyzes the blood vessels of the lower bowel and often causes piles. Women and all other indoor workers are the most frequent sufferers. But curing constipation alone won't cure piles. A special medicine is needed—internal treatment to strengthen the flabby veins and start pure blood circulating.

Dr. Leonard's Hem-Roid is the only internal pile cure. Sold under guarantee. \$1 at J. James Wood & Son's, Maysville, Ky., or Dr. Leonard's Co., Station B, Buffalo, N. Y. Write for booklet.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Don't let the bargain counter man, the traveling humbug, who stays one week only, the man who knows all trades and all professions or the man who only fits glasses when he has nothing else to do, talk you into buying a pair of glasses for your child.

Get them for yourself if you want to. The loss of your eyesight might help you to realize that there is something in properly made and scientifically adjusted glasses. Take your child to a recognized specialist.

 Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:
